

DC-ALTERNATIVES Announces Inaugural Conference

**DC-ALTERNATIVES Examines Trends and Issues Facing the Mid-Atlantic
Alternative Investment Community**

Thursday, October 4th, Washington, DC

NEW YORK, NY – April 11, 2018 - DC-ALTERNATIVES is an intimate, invitation-only event that brings the Mid-Atlantic alternative investment community and surrounding regions to our nation’s capital, Washington, DC. With an anticipated 12 panelists and 150+ attendees, this half-day event will focus on current trends, investment opportunities, political considerations, regulatory concerns and other relevant topics to alternative investment fund industry.

“We are thrilled to come together with the best and brightest within the alternative investment industry in the Mid-Atlantic region. We feel that the high quality speakers, attendees and agenda will have a lasting impact for those that attend,” said Frank Napolitani, co-founder of DC-ALTERNATIVES and Director in the Financial Services practice at EisnerAmper LLP.

Greg Farrington, co-founder of DC-ALTERNATIVES, and President/Co-Founder of Constellation Advisers, LLC commented, “This organization from the outset was intended to be one that brought investment industry leaders together to learn about the risks, trends, and opportunities coming from both the public and private sectors. We are excited about the level of interest DC-ALTERNATIVES has generated to date and look forward to establishing an annual marquee event in our nation’s capital.”

Attendees Include

Chief Investment Officers, Portfolio Managers, Investment Analysts, Chief Financial Officers, Chief Operating Officers, Chief Compliance Officers at alternative investment management firms including private equity, hedge funds, venture capital, real estate funds, family offices, funds of funds, pensions, endowments and foundations, and institutional investors. Industry service providers will not be permitted to attend as this event is focused solely on investment managers and investors.

Panels

The panels will cover critical issues and trends affecting alternative investments and the financial services industry as a whole, including economic market insights, key performance drivers, investor viewpoints, regulatory trends, and taxes, among other topics.

Venue

The Mayflower Hotel is one of Washington, DC’s most historic hotels, located blocks from the White House and a short ride to the National Mall and many of the Smithsonian museums.
